Technical Skills Development

1.1 Describe areas for development in your current knowledge, understanding and skills

What are your current knowledge and understanding in film? (Consider: genres; documentary styles; directors, actors/presenters, score, style)	I understand all of these and film is a constant focus for me.
Do you have specific areas of interest or skills in filmmaking? Writing? Sound? Edit? Camera?	Directing and Cinematography
Are you studying / working at the moment?	I am doing A-levels including media
Have you done film or other creative media work already? Please add links to film work, photos, music etc.	I have but I have no links as they have been for school.
What areas of your film production knowledge, understanding and skills would you like to improve? Give reasons.	I would like to improve Production knowledge to understand how to make my own films.
What role(s) would you see yourself taking on your Academy film?	Probably art department but I don't want to
What do you hope to gain from the BFI Film Academy?	A further understanding to production
Do you have plans to further study and work in film or wider creative media?	I am currently making a movie and want to direct when I'm older.
